

## Kapiti and Hutt Libraries choose the new SOLUS Library App

Glasgow, UK – February 13th, 2023 – SOLUS is delighted to announce two more members of the SMART Libraries Consortium in the Greater Wellington area in New Zealand onto the brand new Library App.

Brenton Hall, Director ANZ at SOLUS states,

“It’s fantastic that Kapiti and Hutt Libraries have so quickly followed Masterton and Wairarapa Libraries in purchasing the App. They’ll be going straight onto the new App and we’re excited to get them live.”

Neil Wishart, CEO of SOLUS states,

“The level of incoming enquiries since we launched the new App last week has been unprecedented and the features really seem to have struck a chord with existing and potential customers. We have a very supportive customer base in New Zealand and Australia and we’re already seeing strong growth with both the App and Events & Room Bookings so early in 2023!”

*SOLUS is the world’s #1 Library App provider for public libraries and growing in academics; with SOLUS built Library Apps now in use in almost 8,000 locations globally and growing rapidly. The Library App supports 15 different ILS platforms using APIs and web services and is available in 40 languages. SOLUS has expanded its product suite to include Events & Room Bookings with its eb#1 product and to Library Web Discovery with the LUCi Discovery platform. Based in Glasgow, Scotland, SOLUS has offices in Australia and the US and provides white labelled solutions to a number of ILS partners, as well as direct sales & support.*
