

Shelbi Schollenberger appointed as Product Manager for The Library App and LUCi Discovery Platform

Glasgow, UK – April 28th, 2023 – It was announced today that Shelbi Schollenberger has joined SOLUS as Product Manager for the SOLUS Library App and LUCi discovery platform.

This key appointment allows SOLUS to take the next step in delivering on their exciting roadmap for their library discovery platforms. As Product Manager of BLUEcloud Mobile with SirsiDynix until January 2022, Shelbi joins SOLUS following a year outside the Library space as Project Manager with Logixboard.

Andrew Daye, CTO of SOLUS states, "We're delighted to welcome Shelbi to SOLUS. She has vast experience with Library Apps and is already fully up to speed with the major enhancements in the latest SOLUS Library App release. Shelbi is ready to hit the ground running and we're looking forward to kick off!" Neil Wishart, CEO of SOLUS commented, "Shelbi has great rapport with customers, partners and colleagues alike. We're excited for her to pick up those relationships and communicate her knowledge in the market."

Shelbi Schollenberger added "I'm excited to be joining the global SOLUS team at this crucial phase of growth for the company, and I look forward to helping them innovate as market leaders in the library discovery space."

SOLUS is the world's #1 Library App provider for public libraries and growing in academics; with SOLUS built Library Apps now in use in almost 8,000 locations globally and growing rapidly. The Library App supports 15 different ILS platforms using APIs and web services and is available in 40 languages. SOLUS has expanded its product suite to include Events & Room Bookings with its eb#1 product and to Library Web Discovery with the LUCi Discovery platform. Based in Glasgow, Scotland, SOLUS has offices in Australia and the US and provides white labelled solutions to a number of ILS partners, as well as direct sales & support.
