

SOLUS welcomes City of Randwick to The Library App

Glasgow, UK - 2nd June, 2023. SOLUS is pleased to announce that City of Randwick has gone live with the SOLUS Library App, transitioning from the BLUEcloud Mobile App.

City of Randwick in Sydney's Eastern suburbs, have launched their upgraded app to provide a consistent search experience across Randwick's existing Web and new Library App platform on top of their SirsiDynix's Symphony ILS connected via standard Web Services.

Brenton Hall, CEO of SOLUS Australia states, "We're delighted to have City of Randwick go live on the Library App and transition across from their previous provider. A number of other libraries are going through a similar process and we look forward to making those announcements shortly."

Andrew Daye, CTO of SOLUS states, "Randwick recognized the quick delivery of anticipated new functionality in the library and the extensive roadmap being delivered throughout the rest of the year."

SOLUS is the world's #1 Library App provider for public libraries and growing in academics; with SOLUS built Library Apps now in use in almost 8,000 locations globally and growing rapidly. The Library App supports 15 different ILS platforms using APIs and web services and is available in 40 languages. SOLUS has expanded its product suite to include Events & Room Bookings with its eb#1 product and to Library Web Discovery with the LUCi Discovery platform. Based in Glasgow, Scotland, SOLUS has offices in Australia and the US and provides white labelled solutions to a number of ILS partners, as well as direct sales & support.
